

Anshul Khare

10 Years 7 Months Overall Experience

Accomplished professional with 10+ years of experience in operations, project management, procurement, vendor management, and strategic planning within the Mining and Railway sectors. Proven ability to lead cross-functional teams and optimize heavy equipment performance to enhance operational efficiency. Experienced in driving digital transformation initiatives, including successful SAP implementation and RFID installation in large-scale industrial environments.

Industry

- Mining
- Railways

Functional Areas

- Operations Management
- Project Management
- Strategic Planning
- Heavy Equipment Maintenance
- Process Optimization
- SAP Implementation
- Data Analysis

Education

IIM Indore

MBA

2025-26

NIT Bhopal

M.Tech (Thermal Engineering)

2013-15

IET DAVV, Indore

B.Tech (Mechanical Engineering)

2008-12

Certification

CSPO

Certified Scrum Product Owner

2025

Lean Six Sigma Green Belt

Certified in Green Belt in Six Sigma

2025

Accomplishment

Co-ordinator, IIM Indore Alumni Team

Member of the Alumni Committee at IIM Indore.

Outstanding Performance Rating

Received outstanding appraisals for three consecutive years at Coal India Limited (CIL).

GATE Examination Ranker

Achieved 99.5 percentile in GATE 2014, ranking among 185,000 Mechanical Engineering candidates nationwide.

AIR 18 – Coal India Limited (CIL) Management Trainee Exam 2017

Achieved All India Rank 18 in the Mechanical Engineering discipline, selected from a highly competitive pool of approximately 100,000 candidates.

1st Position, Design Team Lead – SAE BAJA India

Led the team to victory in the All-Terrain Vehicle category at one of India’s premier student engineering competitions.

Letters of Appreciation

Received multiple Letters of Appreciation in B.Tech for outstanding leadership in technical competitions and student initiatives.

Experience

Coal India Limited, India

7 Years 3 Months

Deputy Manager

Jan' 18 - Mar' 25

Operations Management

- Led a team of 70 employees for the operations and maintenance of heavy equipment valued at ?150 crore at one of India's largest opencast mines, managing a budget of INR 50 crore.
- Improved heavy equipment availability by 20% over five years through enforcing strict maintenance schedules and performing root-cause analysis of machine breakdowns.
- Ensured zero COVID-19 cases among maintenance staff by implementing rigorous safety protocols during the pandemic.

Digital Initiatives & SAP Implementation

- Served as department lead for the implementation of SAP-PM as part of Coal India Limited's company-wide strategy.
- Created master data sets including equipment profiles, maintenance schedules, spare parts inventories, and task lists for 40+ equipment; coordinated training for 70+ employees in collaboration with Tech-M teams.
- Implemented department-wide RFID installation on 60 machines (?50 lakh investment), enabling real-time monitoring of fuel levels, machine efficiency, and theft detection.

Procurement

- Procured spare parts and services worth INR 5 crore from 10+ vendors to ensure smooth departmental operations.
- Conducted techno-commercial evaluation of 100+ tenders for spare parts procurement.

Indian Railways

2 Years 4 Months

Senior Section Engineer

Sep' 15 - Jan' 18

Managed a team responsible for goods wagon maintenance, safety compliance, fitness certification, timely inspections, and ensuring operational readiness. Achieved a turnaround time of 3 hours for over 60 trains per month through effective planning and resource management.

I Design Engineering Solutions Limited, India

1 Year

Trainee Design Engineer

Jul' 12 - Jul' 13

Effectively managed relationships with more than five external clients, led detailed discussions, presented comprehensive reports, and secured project approvals.
